GOODS RETURN, CREDIT CLAIM, AND WARRANTY POLICY

1. Warranty Coverage

All products manufactured by Dtron are covered by a standard warranty period of 12 months from the date of invoice. Dtron reserves the right to repair or replace products at its discretion under the terms of the warranty.

2. Goods Return Conditions

A valid invoice must be included to confirm the purchase status. The client is responsible for both inbound and outbound shipping costs related to the return of the product to Dtron. All returned products must be clearly labelled and accompanied by a description of the defect or issue. This policy applies exclusively to business customers and may be subject to change without prior notice.

3. Handling Fees Calculation

Handling fees are set at 12%, with a maximum limit of R190 (excluding VAT) per item.
Additional packaging charges may apply if the original packaging is damaged.

4. Return of Goods

4.1 Return of Goods Under Warranty

If a product is returned under warranty and no fault is found, a handling fee will apply.
Handling fees do not apply to faulty goods exchanged under warranty.
Products that are confirmed to be faulty and are within the warranty period will be replaced or repaired at no cost, provided that the damage is not due to misuse, negligence, or malicious intent.

4.2 Return of Goods Out of Warranty

Products returned outside of the warranty period will be subject to the following terms:
A handling fee will apply.
If the product is found to be faulty, a repair or replacement quote will be provided.
If the quote is accepted, the handling fee will be credited.
If the quote is declined, a handling fee will apply.
If a product is found not to be faulty, a handling fee will apply.

4.3 Return of Goods for Credit

Custom-made products or special orders may not be returned for credit.
Products must be returned within 7 days from the date of purchase.
Products must be returned in their original packaging, with no damage due to misuse, negligence, or malicious intent.
All return requests for credit exceeding R30,000 require prior written authorisation and may be declined if the items are classified as 'special orders'.

5. Transfer of ownership and risk

The risk (liability for loss or damage) of purchased goods will transfer from the seller to the buyer when the goods are delivered.
The ownership of goods will transfer from the seller to the buyer when the goods have been paid in full.
